MEMORANDUM FOR: Deputy for Operations

SUBJECT: Operational Postures For [redacted]

25X1A

REFERENCE: Memorandum for BFD/OSA, subject: same,
dated 7 November, OSA-3425-68.

1. Cost estimates for the various postures discussed in Attachment 1 are not now available within Headquarters. The postures are being referred [redacted] for an evaluation of present and/or planned capability to support activities as indicated. It is not known, for instance, what prime equipment for the various machine shops is presently there or if any will be retained. Status of the power generating facilities is also unknown. Without concrete knowledge of these and other similar critical factors, it is impossible to come up with realistic cost data. 25X1A

2. As you know, a survey team will be [redacted] in the near future studying the feasibility of relocation of the IDEALIST Detachment. Answers to the above questions and others will be obtained at this time, after which realistic cost data will be submitted for consideration. 25X1A
